Dear Customers

We are now in the position to provide a 'Takeaway Beer and Hot Food Service'. Please see our menu on our Facebook and Instagram Page or on our Website. In the current 'lockdown' climate because of the Covid-19 virus our NHS and Hospice at Home Carlisle are in the frontline protecting us and providing a care service. We take this opportunity today to try and 'do our bit'.

All takeaway purchase revenue net of the cost of ingredients will be donated to both the NHS Charities and Hospice at Home Carlisle. We are setting up a 'Justgiving' page if you would like to donate further.

We will update you further regarding amounts raised on a weekly basis via our website and facebook/instagram page.

Ordering your Takeaway

You can place your order via a telephone call or email above.

We will require your order, time for collection which may have to fit in with our timeslots, and mobile telephone number.

Payment is to be made by card which can be done over the phone.

Collecting your Takeaway

Only one person at a time will be allowed into the foyer of the pub. If it is raining and you arrive early or someone is already in the foyer, please wait in your car until it is safe for you to maintain social distancing. I will call you on the mobile number you have given, if I notice that it is safe for you to approach the foyer.

If the weather is dry please take a seat on each individual table on the front terrace of the pub (one person per table).
